## Educators/Parents/Youth:

Texas Cooperative Extension with El Paso 4-H and the El Paso 4-H Adult Leaders' Association have cooperated together to host the "Youth Career Seminar" series. The purpose is to acquaint our youth with some potential future careers and allow insight to the job market. The seminars are designed for youths and there parents.

Please share and encourage others to attend and participate.

Educational programs of Texas Cooperative Extension are open to all people without regard to race, color, sex, disability, religion, age or national origin.

We will seek to provide reasonable accommodations for all persons with disabilities for any of our meetings. We request that you contact Texas Cooperative Extension - (915) 859-7725, 7 days prior to the event to advise us of the auxiliary aid or service that you will require.
